

NIGHT VISION BINOCULARS

NIGHT SCOUT VX

The **ATN Night Scout VX** Night Vision binoculars were designed to be a cost effective night vision binocular without giving up quality or night vision performance.

This is a compact, lightweight, dual image tube system that provide for depth perception and the comfort of use you would receive out of a pair of binoculars.

The ATN Night Scout VX has configurations to satisfy all budgets and performance requirements. The best part is that if there is no light to amplify, with the help of the infrared illuminator, you can cut through the darkness.

The Night Scout VX is the best value on the market for night vision binoculars.

- **Powerful 5x magnification**
- **Easy-to-use digital controls**
- **Multi-coated all-glass optics**
- **Long Range infrared illuminator**
- **Weather and fog resistant**
- **Limited Two-Year Warranty**
